## Professional Web Designer

Experienced and motivated web designer with a strong background in web development, design, and coding. Skilled in a variety of programming languages, frameworks, and tools, with a proven track record of successfully developing and deploying applications, websites, and web services. Highly organized and detail-oriented, with a talent for finding innovative solutions to complex challenges. Proficient in HTML5, CSS3, Tailwind CSS, Bootstrap, JavaScript, React JS, and WordPress.

## Experience

### 2020 - 2023

Dream IT | Ulipur, Kurigram, Rangpur, Bangladesh

#### Senior Web Designer

A web designer at Dream IT works with a team to create high-quality websites that meet client needs. They use their skills to design website layouts, user interfaces, graphics, and animations, and collaborate with content teams to ensure engaging and SEO-friendly copy. Successful candidates have experience with HTML5, CSS3, JavaScript, and other web technologies, and are responsible for testing, debugging, and optimizing website performance and usability.

## Projects

### Finance & IT Consulting Template

- Created a responsive finance and IT consulting template utilizing HTML5, CSS3, Bootstrap, and JavaScript.
- A feature is requested for IT and consulting with user authentication.
